FAMILY SAFE  
BY RICHARDS-WILCOX

Welcome  
TO RICHARDS-WILCOX

By selecting a garage door from *Richards-Wilcox*, our clients have assured themselves of receiving the safest, state-of-the-art door available.

All of our "Family-Safe" finger protected doors are truly gorgeous.

Select a custom design, choose from our huge finish options, and we'll take it from there.

Every aspect of installation will be handled flawlessly, from start to finish.

And, that's a promise.

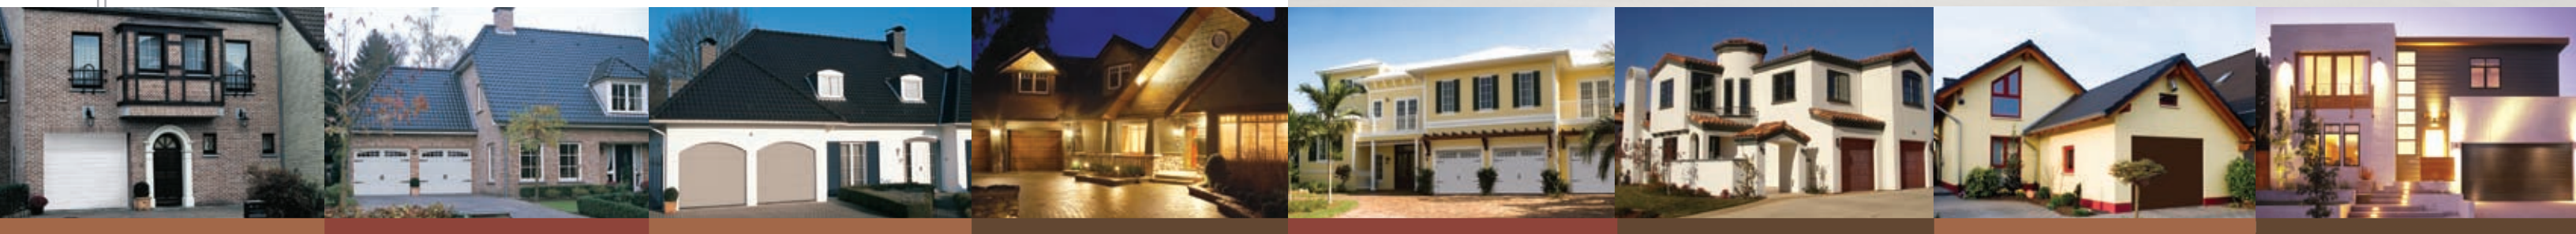

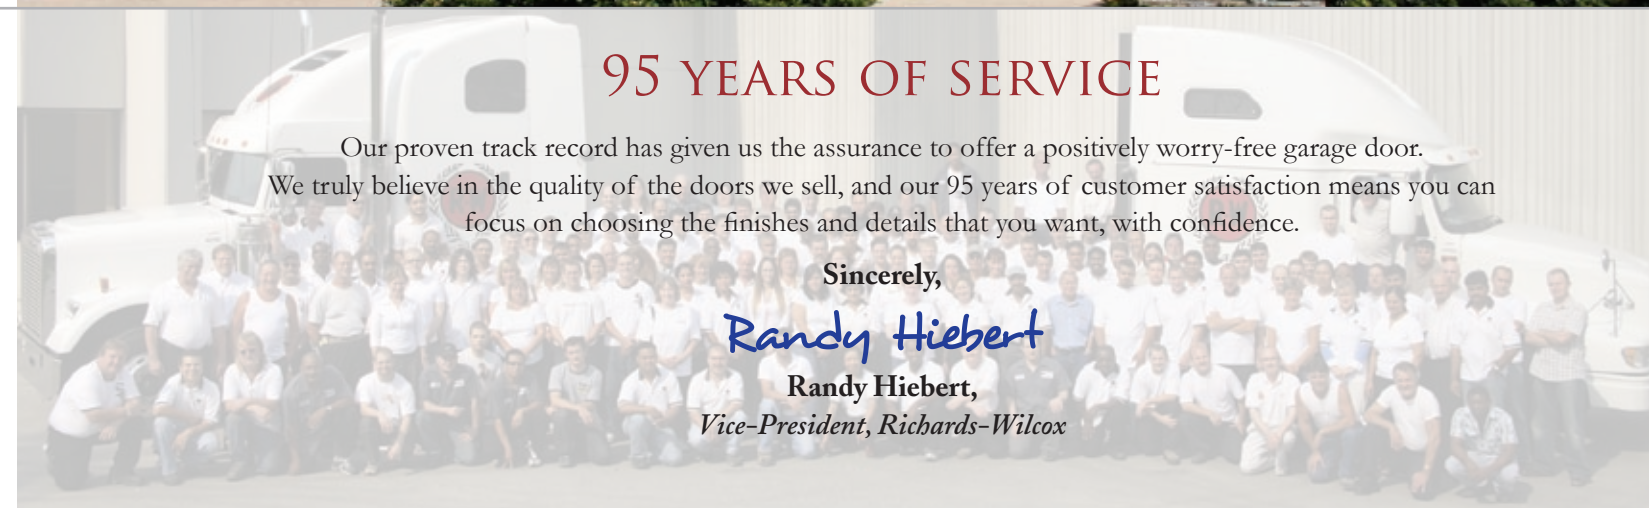

95 YEARS OF SERVICE

Our proven track record has given us the assurance to offer a positively worry-free garage door. We truly believe in the quality of the doors we sell, and our 95 years of customer satisfaction means you can focus on choosing the finishes and details that you want, with confidence.

Sincerely,

*Randy Hiebert*

LUXURIOUS OPTIONS, YOUR CHOICE CLASSIC PREMIUM ELITE

# Classic

## — Classic —

“Quality finishes and hardware give you style, reliability and peace of mind, no matter the style of door — choose Classic.”

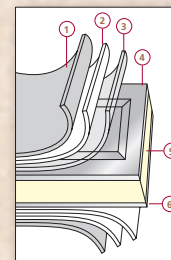

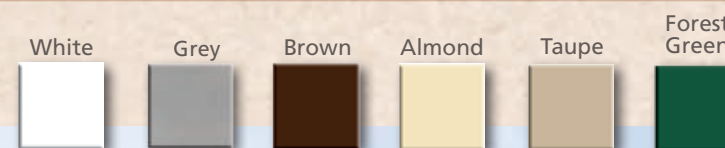

Our *Classic Look*, as with our entire “Family Safe” finger protected line, uses our environmentally friendly, *zero-ozone depleting Neufoam™*, the latest in continuous polyurethane insulating technology. This, combined with design ingenuity and amazing structural integrity, results in a “world class” door that exceeds even the highest European standards.

### HOW?

*Richards-Wilcox* travels the world, looking for the latest trends, standards and designs so that you can be sure when you purchase a *Richards-Wilcox* garage door, you are purchasing one of the safest and most technologically advanced garage doors in the world!

So, now that all the hard work is done, you can take your time in choosing the options that are “just right” for your home.

Please, take your time, and enjoy the process.

- 1 - Baked-on finish
- 2 - Epoxy primer
- 3 - Galvanized layer
- 4 - High-strength steel
- 5 - Polyurethane insulation
- 6 - High-strength steel

# Premium

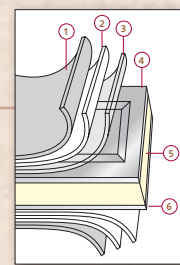

## Premium

“Add character, beauty and a historically accurate quality to your home with a *Windemere FP* Carriage House door, complete with steel straps and handles in a *hand-forged* look.”

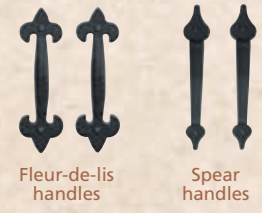

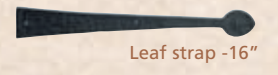

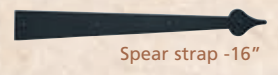

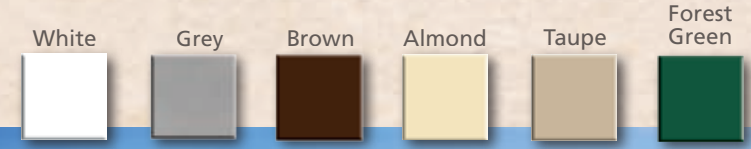

For the heritage look of a *Windemere FP* carriage house or *Mixed Panel* door, the Premium series is the right choice for you! Both feature the same unmatched durability and our **Neufoam™** insulating core that is standard in our entire “*Family Safe*” line.

Along with 5 standard colours and many designer window offerings, this line has wonderful decorative face hardware to accompany the *Windemere FP*. The black matte powder coated straps and handles appear hand-forged, adding a historically accurate quality to your door.

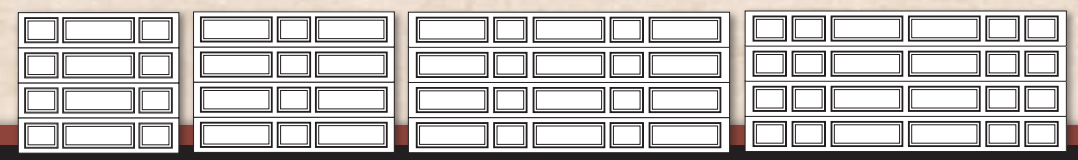

Door sections are made from strong, rust resistant, embossed galvanized steel, coated with baked-on polyester paint finish

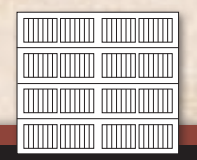

- 1 - Baked-on finish

# Elite

# Elite

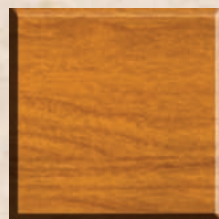

“Introducing the breathtaking *Elite Wood Look* door, a spectacular choice for homes with distinction. Inspired, gorgeous and no maintenance.”

There’s nothing ordinary about the offerings you’ll see here. The *Wood Look* makes everything about your homes exterior stand out.

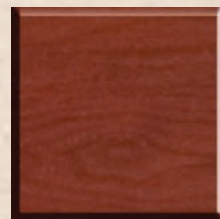

Here at *Richards-Wilcox*, we’ve never been prouder than with the introduction of the new *Elite Wood Look* garage door. If you want to add to the drama that sets your home apart, and you’re interested in a beautiful realistic wood look door that’s maintenance free, trust this truly unique door.

Dark Oak

Golden Oak

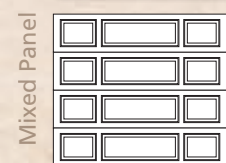

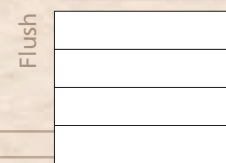

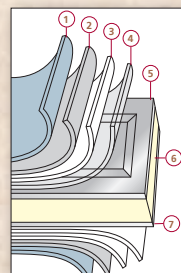

Cherry Wood

Imagine, all the benefits of steel, but with a rich finish that is indiscernible from real wood, even under close inspection. This is something you must see to really appreciate how flawless the wood grain appears. With our *Elite Wood Look* door, no one will know the difference - unless you decide to tell!

Door sections are made from strong, rust resistant, embossed galvanized steel, coated with baked-on polyester paint finish.

- 1 – UV resistant clear-coat
- 2 – Baked-on finish
- 3 – Epoxy primer
- 4 – Galvanized layer
- 5 – High-strength steel
- 6 – Polyurethane insulation
- 7 – High-strength steel

Woodgrain embossed, pre-finished steel exterior skin, raised panel, flush or ribbed designs, in your choice of Dark Oak, Golden Oak and Cherry Wood finishes.

## FEATURES

1 Neufoam™ polyurethane insulating core

2 Finger Protection prevents pinching from inside and outside

3 Tamper-resistant cable attachment

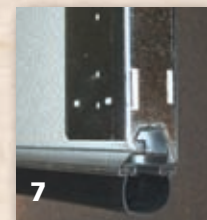

4 Nylon rollers for smooth and quiet operation

5 Linear Type hinge with highest strength-to-weight ratio

6 Dual acting, between section joint seals

7 3" vinyl bottom seal in an aluminum retainer

8 Continuous angle completely encloses the frame

11 Arctic grade triple fin perimeter seal

### STANDARD FEATURES

1. Environmentally Friendly  
Our Zero-Ozone Depleting Neufoam™ Polyurethane insulating core offers an energy efficient R-12 rating.
2. Patented Finger Protection System  
The Finger Protection System prevents Finger Entrapment both inside and outside by effortlessly keeping fingers away from section joints.
3. Tamper-Resistant Cable Attachment  
The tamper-resistant counter-balance cable attachment cannot be released while the cable is under tension.
4. 10 Ball Commercial Quality Nylon Rollers  
Durable, long-lasting rollers ensure years of smooth operation and noise reduction.
5. Patented Commercial Quality Linear Type Hinges  
Commercial grade patented linear type hinges with the highest strength to weight ratio in the industry.
6. Dual Acting Between Section Joint Seals  
Each section meeting joints incorporates a dual section seal, ensuring a tight fit while reducing air infiltration.
7. Superior Weather-Seal System  
Arctic grade, low temperature, 3 inch bottom seal.
8. Continuous Angle  
Continuous angle completely encloses the frame, plus the lifting cable always remains behind the guard.
9. Spring Break Protection  
Spring break safety device prevents the door from dropping more than 1 foot in the event of counterbalance failure.
10. Galvanized Spring\*  
High cycle galvanized springs. \*Standard on Elite products.

### OPTIONAL FEATURES

11. Perimeter Weather Seal  
Arctic grade, low temperature, triple fin perimeter weather seal, with concealed fasteners.

LUXURIOUS OPTIONS, YOUR CHOICE

Maintenance FREE!

*"An Environmental Wonder... Gorgeous, Inspired, Peerless!"*

*There's nothing ordinary about what you see here...*

Despite its temperament, hardwood is still seen as luxurious and can mean a dramatically higher resale value for your home. Indeed, a gorgeous wood door can make everything about your home's exterior stand out -- and apart. Yet who wants all the work?

That's why we are *so* proud to introduce our new *Elite* "Wood Look" garage door. Not only is the beautiful photo realistic wood

appearance maintenance-free, but the *zero ozone depleting* Neufoam™ insulating core protects against the elements.

Imagine, all the benefits of steel, but with a finish that is indiscernible from real wood, even under close inspection.

Add the drama that sets your home apart with the truly unique *Elite* "Wood Look" garage door, from Richards-Wilcox.

**Enjoy the best of both worlds**

Introducing the Elite "*Wood-Look*" garage door. A spectacular choice for homes with distinction.
